

THE REFRIGERATION TEAM

- Dwayne Harber, General Manager, is the former owner of Harber Refrigeration and has over 30 years of refrigeration / food service expertise. He has been an employee for 20 years
- 24 technicians and 8 staff team members (dispatching, sales, and engineering support) provide top level refrigeration repair services and equipment installations
- With one of the most experienced refrigeration / food service teams in Tennessee, our technicians average > 15 years of experience
- We serve customers during any phase of the project from planning/design through installation and planned maintenance
- We are skilled in both single item and large, industrial refrigeration warehouse projects. Convenience stores, grocery stores, refrigerated warehouses, restaurants, we do it all!

OUR EXPERIENCE

- Team members performed a \$9M TN Cook Chill project. From the project director:

"I think the coordinating talents and competency to accomplish this feat must be noted and really is worthy to be used as a "Case Study" on how to handle a large project."

- Project Director, State of TN Food Service Program
- Built a refrigeration warehouse (8,800 square feet of floor space and over 200,000 square feet of storage freezers and coolers) in 2012
- Built a refrigeration warehouse (9,500 square feet of floor space and over 200,000 square feet of storage freezers and coolers) in 2013
- Perform approximately 9,000 successful service calls annually
- Over 75 years of quality, reliability and trust
