## THE COMMERCIAL SERVICE TEAM

- Mike Lilly is the General Manager of the Commercial Service team. Mike has over 30 years of experience in the HVAC industry with expertise in construction, service repairs, and distribution.
- 24 technicians and 8 staff team members (dispatching, sales, and staff support) provide both commercial HVAC service work, Plumbing service work, and equipment change-outs.
- We have been a chosen partner of the state of Tennessee since 2007, providing timely repairs and cost-effective solutions across multiple state facilities.
- We are skilled in equipment change outs for customers of all sizes, from large retailers to small restaurants and stores. Our business is to keep your business running!
- We provide 24/7 service seven days a week to ensure that your equipment operates to your needs.
- We provide planned maintenance agreements within your budget and scope of work necessary to keep equipment running at a fair price.

## OUR EXPERIENCE

- From a recent commercial project:

*"I am writing this letter in order to express my gratitude for the high quality of service provided by Maynard Select. It was refreshing that the employees made every effort to have our AC units installed as quickly as possible and with minimal disruptions to customers and our staff."*

- General Manager, Sky High Sports

- We work well with 3<sup>rd</sup> party maintenance management providers
- We provide skilled plumbing service repair work at a competitive price
- Perform thousands of service calls annually as a Tennessee state contractor

Over 75 years of quality, reliability and trust
